We have performed the procedures enumerated below to the accompanying Appropriations Limit worksheet of the City of Upland, for the year ended June 30, 2024. These procedures, which were agreed to by the City of Upland and the League of California Cities (as presented in the publication entitled *Agreed-upon Procedures Applied to the Appropriations Limitation Prescribed by Article XIII B of the California Constitution*), were performed solely to assist the City in meeting the requirements of Section 1.5 of Article XIII B of the California Constitution. The City's management is responsible for the Appropriations Limit worksheet. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of those parties specified in this report. This report may not be suitable for any other purpose. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures performed and our findings were as follows:

1. We obtained the completed worksheets and compared the limit and annual adjustment factors included in those worksheets to the limit and annual adjustment factors that were adopted by resolution of the City Council. We also compared the population and inflation options included in the aforementioned documents to those that were selected by a recorded vote of the City Council.

Finding: No exceptions were noted as a result of our procedures.

2. For the accompanying Appropriations Limit worksheet, we added last year's limit to total adjustments and agreed the resulting amount to this year's limit.

Finding: No exceptions were noted as a result of our procedures.

3. We agreed the current year information presented in the accompanying Appropriations Limit worksheet to the other documents referenced in #1 above.

Finding: No exceptions were noted as a result of our procedures.

4. We agreed the prior year appropriations limit presented in the accompanying Appropriations Limit worksheet to the prior year appropriations limit adopted by the City Council during the prior year.

Finding: No exceptions were noted as a result of our procedures.
