Mayor and City Council Members  
460 N Euclid Avenue  
Upland, CA 91786

Dear City Council,

The Mills Act has been a huge benefit to homeowners in the City of Upland since it was implemented allowing for the preservation and restoration of Upland's historic homes. In turn this enhances the Cities property values, which means higher values in the future that will bring in more tax revenue for the City.

Upland Heritage supports the Mills Act for the home located on 406 North 8<sup>th</sup> Avenue, Upland, CA 91786.

The Mills Act is a great tool to entice homeowners to improve their homes through restoration as well as their communities. Upland Heritage strongly supports the Mills Act and hopes the City will continue their support as well. We ask you to please approve this Mill Act Application.

Best Regards,

Carol Timm  
President, Upland Heritage
